✔ WHAT IS WORKING (VERIFIED EVIDENCE)

Immediate Above-the-Fold Engagement
Found 14 distinct actionable element(s) in hero section ('Explore Sports Hub'), minimizing bounce rates on first view.

Clear Button Component Styling
113 interactive elements utilize distinct button styling and dimensions (>2000px²) instead of standard low-contrast text hyperlink

Persistent Header Conversion Pathway
Top navigation bar maintains 66 visible navigation & conversion links across user scroll depth.

■ CTA GAPS & CONVERSION FRICTION

[High] Inert Anchor Targets & Placeh
Map all clickable buttons directly to verified form endpoints or modal trigger handlers.

[Low] Uniform Visual Hierarchy Betwe
Style the primary action in solid brand accent and secondary options as outline/ghost buttons.

■ RECOMMENDED CTA HIERARCHY

Primary CTA: Get Started / Request Demo
Style: High-contrast solid button (Primary bran
Placement: Header right, Hero section center-left,

Secondary CTA: Explore Platform & Benchmarks
Style: Ghost / Outline button with subtle hover
Placement: Adjacent to Primary Hero CTA

Contextual: Schedule Technical Consultation
Placement: Service detail tabs, pricing tables, and
